

Second Chance Family (Silhouette Romance)

The Lady Savannah Markums busy days were filled with single-handedly raising a toddler and running her ranch. Her lonely nights were filled with longing for what might have been if Matt Forrester hadn't shattered her heart. And now Matt was back. And the Lawman Deputy Sheriff Matt Forrester was determined to discover who was stealing cattle from Savannah's ranch. But as the man who had never stopped loving her, he yearned to protect her and the child who should have been his son. Just as Savannah should have been his wife and would be if he had his way!
