

The Sheiks Mistress (Special Edition)

THE WOMAN WHO WOULD BE QUEEN? Powerful Michael Hassan was not born to the throne, but circumstances had made him king. And as ruler of his desert kingdom, he must marry a wife hand-picked for him. Then he met a blond American beauty, and he had to choose between duty and desire. Jen O'Hara had come to Michael's country on a mission but it wasn't marriage. No matter how hard she resisted, she was drawn to the potent, passionate man whose sense of honor only made him more irresistible and all the more forbidden. It was clear Michael wanted her body and soul but being this sheik's mistress would never be enough.
