

His Forbidden Mate (Siren Publishing Classic)

[Siren Classic: Erotic Paranormal Romance, shape-shifters, witches, demons, HEA] Lily Childs life takes a dramatic turn when she discovers her whole existence has been a lie. Shes the High Priestess, and a half demon. Her day gets worse when shes told her demon half-brother wants to kill her. Then the man who has her hormones dancing openly rejects her. Dustin, a horse shifter, has met his mate. One he cannot claim. As the commander of the elite guard to the High Priestess, hes forced to keep his fast-emerging emotions for Lily at bay. Otherwise, it could prove deadly for both of them. When he realises that rejecting her is a mistake, he tries to make amends. Lily doesnt trust Dustin not to reject her again, especially when he discovers who her father is. His enemy. Can Dustin allay her fears? Or has he already lost her? Will her half-brother succeed in denying the Earth a High Priestess, and Dustin his mate, before he can win her trust? ** A Siren Erotic Romance
