

His Mistress (Interracial Romance)

Gia never had a privileged life she lived a life of struggle. She became a stripper at the age of eighteen and never looked back. One night when Nicholas (Nick) a married ambitious billionaire and her hit it off at the club they have a one night stand that sparks a relationship between them. Little does Gia know that she is carrying on a relationship with a married man who has two children. When Gia turns up pregnant and demands more out of the relationship she will soon find out that Nick isnt whom she thought he was.
