

Daughter of Ashes (Legends of Tirum) (Volume 1)

Telyn Gwndal has always feared Majik. When her destiny brings her back to the place her nightmares were born, Telyn must take up a sacred quest to avenge the father she never knew. Her greatest ally is a man with a secret that could reawaken a past Telyn believes dead and buried, and destroy the truth she holds sacred. Can she trust him with her heart, or will her destiny force her to let him go? Nacariss Onarchar is a man without a home. He thought he left behind the past when everything he loved disappeared from his life. Resigned to his rootless life, he never imagined that a desperate Elders request would bring him face-to-face with his past, and a chance to change his future. Can he bring himself to destroy the only love he's ever known, or will he sacrifice the truth to hold onto a heart he can't be sure he ever held?
