

Hot Springs of North Carolina

This informal biography of Hot Springs, North Carolina, is an affectionate recounting of the pilgrimage of a town and its inhabitants a journey involving triumph, tragedy, and sorrow. Though not intended to be a highly researched and documented narrative, the chronicle tells of the the people who helped create Hot Springs, those who lived in the town during its periods of growth and prosperity as well as decline and depression, and current residents who have confidence and hope in its future.
