

Trouble in the Temple: Our Bodies Are The Temple Of The Holy Spirit. Do We Sense His Presence?

The body of every born-again believer becomes the temple of the Holy Spirit. How can we know that the Holy Spirit dwells in us? Are we supposed to feel Him? Or hear Him? In simple terms, this volume explains how every Christian can experience the character-changing work of the Holy Spirit. Our trust in Christ is followed by a changed life. Countless regenerated men and women have experienced powerful sanctification following their salvation decision. They are living at peace with God without anxiety or fear. Their surrendered will allows God to control their lives. The amazing facts outlined in this book will shed Christs bright light into the darkness of our confusion about spiritual matters.
