

How to Keep What You Make: The Secrets of Money Management!

This book could be the best gift you ever give to a young person starting out in life! Or to give anyone who cannot seem to break out of living paycheck to paycheck. We all work hard to make our money. This book is designed to show you how to keep more of what you make and to enjoy your money, instead of worrying about it! No more fear of whether you really can afford that new suit or new car or that cruise vacation. You will know what you can really afford! Maybe it is not a miracle, but for many this system of money management comes close. With the Money Management System you can manage your finances to meet your personal goals. All it takes is a little organization, incentive and time. The Money Management System provides you the organization. I hope it also will give you the incentive to take the time and make it work for you!
