

Hummingbird Dreams

Growing up wherever her mothers new boyfriend took them, Honor Thompson never knew what home was until she came to Harpers Mill, a small town in the Kittatinny Mountain Valley. There she meets her best friend Emma and has a blossoming romance with local high school legend Simon Spence Spencer. The magical secrets of Harpers Mill are nothing compared to the one Honor must keep as shes forced to leave her home and friends. With everything taken from her, she must hit bottom before starting fresh. In finding her way home, will she be able to reclaim her friends and family, too? Tender, romantic, and sweet, Hummingbird Dreams captures the strength of survival and the need for forgiveness in a life we dont always fully control.
