

Obeying the Hypnotist (Gay Hypnosis Erotica)

Dr. Harding is Louis's hypnotist, which means he's been inside his head more times than he can count. He knows Louis better than anyone...and he knows exactly what he wants. In an uninhibited trance, Louis reveals his deepest desires and fantasies to Dr. Harding: he wants to be dominated, he wants to lose control. So Dr. Harding finds Louis at the bar that night, and promises him that he can make his deepest fantasies come true. Dr. Harding can make him feel like he's never felt before...if only Louis will come home with him, and let Dr. Harding hypnotize him.
