

If You Cant Stand the Heat

If You Cant Stand the Heat by HK Carlton
Somebody's about to get burned An unlikely couple is brought together as celebrity judges on a new cooking show Sesto Theodore, an American-Italian New York chef, and Syn Fully, a world-weary author of erotica. Its instantly clear that they are complete opposites and their personalities clash, but physically, sparks fly and passion ignites. However, after a video with some rather personal content surfaces on the Internet, Sesto immediately jumps to conclusions and accuses Syn of the breach. Can the arrogant chef forgive and forget, or will his pride leave him out in the cold? HK Carlton
About the Author: H-K lives in Canada with her hard-working hubby. She has two very handsome grown sons and a beautiful teenage daughter. She has been an avid reader all her life. Her first love is historical romance so it would come as no surprise that her favourite book of all time is Jane Eyre. But she'll read almost anything that captures her attention and imagination. She loves nothing more than to find a good book that she can't put down. She is a hopeless romantic and prefers happy endings.
