

In All Things.....

This is a book of short stories loosely based about my life. I wanted to inspire others showing them that even in your mess, God is there. This is different perspective in regards to the Christian walk and trying to be the Woman of God, God has called and destined me to be. I wanted to share my experiences with you. I wanted to show you how much God loved me that even when I wasn't living right, he was right there with me. He loved me when I didn't even love myself. I hope this encourages you & uplifts you. I am sitting here reflecting on my life. God has been with me even when I didn't even know who God was. He has ordered my steps & has kept his hands on me every step of the way, even when I strayed, he was still there for me. Even when I chose other things to worship, he still was present in my life. God has been the only constant in my life. Never changing, always loving, & always there. Yes, God is here with me. He is there with you. He was there when I wanted to take my own life. He was there when I was drinking, gambling, sexing, trying to destroy my life, God, still had his hand on me. This book of short stories is here to inspire, uplift, & for some, to introduce you to God. It's to show you that in all things, God is there. God is my father, healer, best friend, brother, my everything, my all. I hope and pray that after reading this, you will seek God like never before.
