

The History of the Indian Valley and its Bank

While the year 1976 marks the hundredth anniversary of our bank and so is, naturally, a time of celebration for all of us who are identified with it- we cannot help note it is the bicentennial year of our beloved country. The story is one of our area and the people who made it happen. Their goals and graces; their dreams and dedication; their love of God and love of man. In it all a bank was born and took part in the history of the area. So if your identity is with the Indian Valley, with Union National, or the great wide land we love born 1776, we hope you enjoy the coincidence with us.
