

## Inky (The Leaves) (Volume 1)

Anika Inky Redding is passionate about two things; her love of painting and her fiance Evan. While working as a bartender to pay her bills, she meets Cole, a sexy divorcee. She denies their mutual attraction and tries to put him out of her mind. When an abusive person from her childhood makes an unexpected visit, Inky's world is turned upside down. Secrets are revealed and truths are exposed leaving Inky devastated and questioning what she thought was love. As she picks up the pieces and tries to move on, she finds her path crosses with Cole once again and this time, she cannot deny the passion between them. Once she opens her heart again, will she be able to move forward or will her past find a way to stop her?
