

Trials, Tragedy, Triumphs

The book is written with the hope that after it is read the reader would understand that even though they may experience many storms in life to trust God. He will never leave nor forsake you. He has a plan and purpose for all our lives. Sometimes it is necessary to go through various trials so that he can get our attention. Finally, the ultimate message of this book is to inspire and encourage someone to hold on to Gods unchanging hands. I am a living testimony that with Gods unconditional love for us we can go through life assured that we will come out victoriously. He is the author and finisher of our faith.
