

Instant Passion: How to Find Your Passion in Life Instantly! (INSTANT Series)

The Instant-Series Presents Instant Passion How to Find Your Passion in Life Instantly! Do you feel like your life is meaningless? What is the purpose of life anyway? Actually...what is the purpose of YOUR life? What is your biggest drive? What do you want most out of it? If you dont know the answers, then you lack passion in life, or simply dont know what your passion is. What is your passion? Its what makes you get up every morning, ready to tackle the world for whatever life has to throw at you. Its what pushes you through tough times when everything else around you is falling apart, to get back on your feet again. Its what gets you excited all over again when you have lost your way, to keep going no matter what. Your passion is a very personal emotional thing; its innate. Its all your wants and wishes to make you feel fulfilled and accomplished. Nobody can tell you what you should be passionate about. You have to uncover and discover that for yourself because you cant ignite that passion without knowing what it is. But how? Within Instant Passion: How to rediscover and refuel your long-lost or hidden passion, to get you all fired up about doing what you love. How to stay focused and keep whatever youre passionate about going, not quitting when things get tough. How to set the perquisites properly to start working on your passion, to avoid losing interest down the road. How to combine goals with passions to make whatever you want to achieve exciting and easy. How to also get others involved with your contagious passion as a support network to help each other out. Plus, custom practical how-to strategies, techniques, applications and exercises to get passionate about what you love doing. ...and much more. Would you like to go to your deathbed with regrets because you never followed your passions and pursued them, letting them die with you? If youre stuck at a stationary standstill where youre

at in life, its time to light that flame within yourself again, to turn ember into wildfire. Own up to your passions now!
