

## Iphicles [Twelve Labors 4] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Fantasy Romance, M/M, shape-shifters, HEA] Iphicles is accused of using the mate bond in order to release Zeus from his prison. Wanting Pegasus to have his freedom, Iphicles annuls the mating and then sets off to stop Ariess armies. Pegasus is thrilled when Iphicles agrees to be his mate, knowing the man is petrified of animals. Until he discovers that the only reason Iphicles agreed is because Iphicles must mate with him in order to fulfill his part of the prophecy to release Zeus from his prison. Pegasus anger overtakes him and he says things he regrets. However, before he can apologize he finds out that Iphicles has annulled the mating and has fled into the path of Ariess armies. Setting out to find his mate and convince him to give them a chance at a lifetime of happiness, can Pegasus find Iphicles before the armies kill his mate? And can Pegasus save his mating before it is too late? \*\* A Siren Erotic Romance
