

Communicate up the Corporate Ladder: How to Succeed in Business with Clarity and Confidence

Are you stuck on the corporate ladder? Here is how to recognize the red flags that may be holding you back: Are people frequently asking you to repeat what you just said? Do you get nervous, speak too quickly, or forget what you want to say? Are promotions passing you by? If you answered yes to any of these questions let Communicate Up the Corporate Ladder be your motivation to take action. The goal of this book is to build clarity, confidence, and careers. Helpful tips and exercises will teach you how to improve the quality of your speech, navigate complicated professional situations, and build confidence in your business communication skills.
