

Clinton Gregorys Secret

A week in the life of a boy with a very active imagination. Clinton Gregory has a secret. Actually, Clinton Gregory has at least seven secrets, one for each night of the week. Monday, he wrestled a dragon named Gordon; Wednesday, he was invited to dinner with giants; and Sunday, he made paper hats for a ship full of pirates and then rocketed to the moon and back! But the secrets don't stop there . . . For the daydreamer in every child, this adventurous fantasy is filled with lush details to discover in each illustration. Children will pore over the large doublepage spreads during storytime readings and nod off to sleep at bedtime after following Clinton Gregorys very busy, outrageously whimsical agenda.
