

SAMPE Symposium and Expo,45th International (CDROM)

The complete text with all tables and figures are included in a single CD. All functions, including navigation and full-text searchability, are easy and fast. Adobe and Acrobat supporting software automatically load with the CD. Full-text searchability is available by key word, article title or author name. The extensive technology contained in this CD and its built-in search tools make this a powerful technology resource.
