

Martin Luthers Interpretation of the Royal Psalms: The Spiritual Kingdom in a Pastoral Context

This study examines Martin Luthers interpretation of the royal psalms - Psalms 2, 45, 82, 110, 118 - by demonstrating the pastoral heart of Luthers theology in which he underlines the importance of the spiritual kingdom, the centrality of Jesus Christ, faith, preaching and a tenacious grasp of the word of God. Each chapter examines Luthers exposition of a specific psalm against his theological understanding of the two kingdoms.
