

Joshua: All Gods Good Promises (Living Word Bible Studies)

Joshua: All Gods Good Promises leads through a detailed study of this Old Testament book about Gods unfailing promises to his people. Each lesson has five days of questions (along with helpful comments and context) guide in a process of careful examination and application of the biblical text. Close attention is given to the shape and development of the narrative as Joshua leads across the Jordan, through the conquest of the land, and into the settled rest of the inheritance promised them. The book itself is the focus of study, although the context of Pentateuch law and the New Testaments ultimate fulfillment in Jesus are made clear.
