

Jasmine Dogs Mystic Adventures in Big Sur

Dyanna Falconer is on a roll when she sells her book to Hollywood and falls in love with a famous, hot movie star, but she misses her cottage on the California coast and longs to paint and write, and live her life with the unforgettable characters that inhabit Big Sur. Dyanna is warned about the jasmine dogs by a rough Esalen Indian Mystic, but plunges ahead with a big romance and faces the dire consequences of her double life. Escape into the mysteries of Jasmine Dogs and hold on tight... its a wild ride.*The cover art is an original painting with brilliant reds, yellows, and green by Big Sur Artist Erin Lee Gafill.
