

KISS ME IN ITALY romantic summer story +18 erotic content: Real love and passionate soulmates novel

Novel Kiss me in Italy is a book in which every woman will find her deepest desires simply because sooner or later we all search for one thing called...unconditional love. Narration includes digressions on characters thinking about destiny, dialog and description of myths in countries on Brandons journey list (Peru, Lima or Paris, France). To make sure he is not only imagining Cynthias beauty in virtual sphere of internet and messaging on a mobile phone Brandon wants to know even more about her so he invites Cynthia to his first gallery exhibition of photos that he made in cities all over the globe during his twenty years career in traveling.
