

08. A Dangerous Disguise (The Pink Collection)

After her quiet life in the Highlands of Scotland, the Lairds daughter Ola Mcnewton is looking forward to going to London to take part in Queen Victorias Jubilee. At first it seemed a good joke to pretend to be a Balkan Princess, and be entertained by the handsome Duke of Cranborne. During one enchanted evening with him, they fell in love. But did the Duke fall in love with her, or the mysterious Balkan Princess... Then the Security Services, fearful of a plot on the Queens life, became suspicious of Ola, and it seemed that only the Duke could save her. How they overcame the obstacles and realised their true love for each other is revealed in this exciting and romantic novel by Barbara Cartland.
