

The Royal Historian of Oz

Before Dorothy was swept away in a tornado to Oz . . . Before the yellow brick road . . . Before the Scarecrow hung in a cornfield . . . Young Frankie Baum and his sled dog Sebastian are buried an avalanche of ice and snow. They have to tunnel out. Fast. To Frankies surprise, when they dig out theyre not in Alaska. Theyve arrived in a strange new land. A land filled with magic and the most wondrous sights. He meets people who arent really people. Even more amazing is that Sebastian can talk. He hears rumors of the Wizard of Oz and believes that the Wizard will help him return home. The story chronicles Frankies first adventures in the Land of Oz and his royal appointment as the Royal Historian of Oz. Fans of all ages who loved the Wizard of Oz, the Wicked Witch, The Cowardly Lion, the Scarecrow, the Tin man, Dorothy and Toto, will enjoy this prequel to Frank Baums series.
