

Rogues Run [Galactic Gunslingers 1] (Siren Menage Amour 48)

[Menage Amour 48: Futuristic Romance with Menage a Trois elements, M/F/M] Abigail Deveronne thought the worst thing that ever happened to her was marrying Myron Smedly, until she woke up next to his dead body. Her odious childhood guardian promptly sends her across the galaxy to a second marriage by proxy. On the way to her next marriage, the space craft shes on breaks down on Planet Delocia and the vile pilot insists she must obtain a repair component at the local Supply Hut. Abigail gets more than she bargained for when she traded companionship for a needed part to continue her journey. Transport captain, Jesse Pelland, journeying to his primary ship after a clandestine business meeting, crash lands on planet Delocia and ends up bound in matrimony to a sheltered, young widow with numerous secrets. But its her almost hidden rebellious streak he cant wait to explore. A passionate bond develops on the trip to Abigails home for new proxy documentation. Jesse explores the possibility of a relationship. Until they land and shes accused of murdering her first husband. ** A Siren Erotic Romance
