

A Handful Of Mist (LIN) (Linford Romance)

When Deborah was widowed she didnt particularly want to sell her house, but if she was to earn a living for herself and her small daughter she didnt see any alternative - until Mark Nesbit, also widowed, wanted a home for his two teenage children. He offered to buy her house on condition that she stayed on as housekeeper for a year. Deborah was soon wishing it was for a lifetime, but would Mark ever see her as anything but a housekeeper?
