

A LIFE LIVING AFTER GOD

BIBLE STUDY 1 This Bible study takes you step-by-step into a fuller understanding of a daily surrender to our Lord. You will learn: The difference it makes in having an internal relationship with God as opposed to an external one. Interacting relationally with God instead of formally. How the spiritual is more important than the intellectual, and how this will be more pleasing to our Lord. The powerful, biblical-based principles in this book will teach you how to hear, seek, and find Him. You will also discover the joy and peace that come with a daily surrender. By applying this knowledge, you can change every aspect of your life and positively impact the lives of others! Rose Donatelli was born in Sharon, Pennsylvania, but now resides in Charleston, South Carolina. Although she became a Christian at an early age, when she turned thirty-five God showed her that she was His and taught her the importance of truly giving Him priority in her life. In February 2002, Rose enrolled in an in-depth Bible study (BSF) and attended for several years. On December 7, 2007, she started Faith Outreach Ministry by the leading of the Lord. The ministry supports missionaries from the United States going to other countries to share the gospel of Jesus Christ. Rose and her husband, Frank, serve the Lord at Seacoast Church in Mt. Pleasant, South Carolina. They have been married for thirty years.
