

Living with Juno

Gina Jarvie is a high flyer in her early forties. With divorce behind her and sons in education, she moves to a new city of sunshine and possibility determined to root out what she's been missing. It is a stroke of good fortune when she encounters the enigmatic, seemingly self-possessed Janie Juno, and her world changes forever. In a poignant and humorous tale of a woman on a quest to recapture her life, Gina meets more than her fair share of heroes and villains but, like the unpredictable waters of the River Exe in the South West of England, sometimes ... all is not quite what it seems.
