

HE NEVER CHOOSES WRONG - BY: ANTHONIA SHAVER: AGAPE, I AM

He Never Chooses Wrong, is the first book of a series of Books inspired by Christ, and challenges any reader to interpret its influence in their own life. Reese Rockwell, a prestigious and influential CEO, who falls in love with a new employee, to discover that she, Anthonia, is an Arch-Angel, one of the first seven angels, created by God, to usher in the end of the age of Man, Aeon. Reese learns that he was chosen to be tested, on every level, to become something greater than what he ever imagined himself to be. He undergoes his trials with guidance from a century old grandfather, Uncle Forester, and Anthonia, who is also his punisher. With such controversial subjects as sex, the gay movement, family affairs and much more, Reese struggles with his beliefs, and bonding to his arch-angel. By defeating evil spirits through his fighting skills, and newly acquired powers, he learns about the angel world, God, and what it means to give total allegiance to Him. He understands that he must first die in Christ, and have 100% commitment to Him before he can be successful in defeating evil, and have a successful relationship with his sweetheart, Anthonia. This book ventures into the very fiber of Reese, and how he lives with Christ to truly find out who and what he really stands for, and how he is able to demonstrate to the rest of the world, that to be called Gods own, you have to be able to hear him, and do his will, without failure. All characters are fictional, but the personality of Anthonia, is not
