

The Test of Love

SPIRITUAL HEALING When Joseph Caldwell started the New Life Centers program, he wanted only to regain mobility in his leg. He didn't realize the center's philosophy was to rehabilitate the body and the soul. He also didn't know he'd have such a tough and caring trainer. From the moment he met Connie Harmon, Joseph had a feeling he faced much more than physical therapy. For lovely Connie believed that, more than anything, Joseph had to regain the faith he'd lost. And though he protested, he knew if anyone could help him, it was this kind and compassionate woman. But Joseph wasn't sure he could overcome his mental wounds, and accept the love Connie felt he deserved.
