

Baby 101 (Mills & Boon M&B)

When Lana Lord received the parcel containing a tattered teddy bear, three tiny hand-knit sweaters and an unsigned letter, she knew it was from the mother who had given her and her siblings up for adoption twenty-five years ago. But Lana claimed no interest in who her mother was or why she had waited until now to contact her until she met Dylan Van Zandt. Dylans struggle to raise a child who wasn't his own made Lana realize that love's choices aren't always easy.
