

A Marked Man

Once accused When Max Savage opens his practice in a remote, seductively beautiful bayou town, he hopes its the start of a new life. Hes got his reputation as a skilled surgeon, his two brothers by his side and a fresh chance. But soon Max discovers he cant escape a past riddled with accusations of murder or the faces of two dead women. Especially since another woman is missing, and he was the last to see her alive. Always suspected Annie Duhon knows all about nightmares that shatter lifes dreams and the need to escape the past. But her fascination with Max grows, even when disturbing rumors start to surface and her darkest visions seem to play out in living color. Can she trust Max with her secrets and her deepest desires? Or is he the specter she sees when she sleeps a killer stalking women with his cleansing fire? Is she about to become his next victim?
