

## A History of Lake Pleasant: Steuben County, Indiana

Information and photos in this book include anecdotes and documented history contributed by many lake residents as well as by interested community members. Much of this information was shared at the Reflections program sponsored by 101 Lakes Trust on Sunday, August 17, 2014. The program featured docents on pontoon boat tours who discussed points of interest and their development as the boats passed referenced locations. A narrated presentation followed at a catered dinner in Orland, a small town near Lake Pleasant. This book covers the time period from the early 1800s to 2015.
