

## Cry Mercy (Mercy Street Foundation Series)

After Ann Nolan, a California beat cop, adopts the daughter of a notorious drug dealer, the ruthless father vows to take back his only child. In response, Ann flees across the country, changes her name, and starts a new life as an investigator for the Mercy Street Foundation, the billionaire-endowed organization dedicated to finding missing persons. As Emme Caldwell, she takes the lead on the Foundations first case: Nineteen-year-old Belinda Hudson disappeared from her sorority house leaving behind only one cryptic clue. Retracing the vanished students steps leads Emme to Heavens Gate, a fertility clinic, and the mysterious Donor 1735. Belindas legal guardian, Nick Perone, is determined to shadow Emmes every move as she searches for his niece. But the closer Emme gets to Donor 1735 and the chilling truth, the more apparent it becomes that shes escaped one dangerous man only to run head-on into another one whos far more determined and every bit as deadly. Your calls for mercy have been answered...
