

Wild Ways (Mills & Boon Vintage Intrigue)

All ex-agent Rafe Blackhorse wanted was to capture the man he had been hired to retrieve and head back to his secluded life in the mountains. Unfortunately, an unforeseen shoot-out forced him to protect both his clients best interests and one very attractive computer specialist named Meg Kavanagh. Rafe soon realized that Meg was trouble with a capital T. An elusive killer was stalking her every move, and now Rafe's life was in danger, too. But all of Rafe's field training hadn't prepared him for a mission in which keeping his heart intact was going to be the biggest challenge of all
