

## From The Bleeding Heart Of God . . . To A Bleeding Nation

This is a clarion call to all nations and to every one that has an ear to hear what God is saying in this season. There has been great blood-shed in our nations; innocent people have lost their lives due to what the nation has gravitated toward-lawlessness! The same sin that led to the destruction of Sodom and Gomorrah is the same sin our nation is lusting after! We have adopted sin as a law and lost many souls in the midst of all this. My question is if we are a replica of Sodom and Gomorrah, Why should we be spared? Why should God spare our lives? Just before Sodom and Gomorrah was consumed, God and Abraham had a conversation and God said if He could find ten righteous in the land, He would save the nation, but ten righteous could not be found, and this led to the destruction of Sodom and Gomorrah. Do not think that God is unjust for sparing us? No! The reason why we are not yet consumed as a nation is because God has found a few righteous-the remnant, that will not bow their knees to sin or its lawless ways. God would never consume the righteous with the wicked! The cry of the guiltless and the innocent, the cry of the abused children, the fatherless, the widows, and all those who have been directly affected by the detrimental world we are in, has been heard by God. The blood of the innocent has come up to God and He has risen to redeem a dying world! There are people who have lost their lives in the midst of the evil we have brought upon ourselves as a nation, and there are still so many souls wounded from our lawless state. The world is immorally corrupt, and this has come up to God as a very displeasing and nauseating attitude. God is displeased! God is bleeding! It is because of this dilapidated act caused by the lawless in our nations that has brought so much destruction upon the land that we live in. Are we going to sit lackadaisically and watch many more souls lose their lives? Let us arise and re-build

our nation! And if it means we have to
