

Motor Stories: Motor Matts Red Flier or on the High Gear: Thrilling Adventure Motor Fiction

Motor Matts Red Flier; or, On the High Gear by Stanley R. Matthews. Motor Stories : Thrilling Adventure Motor Fiction no. 6 by Stanley R. Matthews Published 1909 THE BEST OF THEM ALL!! MOTOR STORIES IT IS NEW AND INTENSELY INTERESTING We knew before we published this line that it would have a tremendous sale and our expectations were more than realized. It is going with a rush, and the boys who want to read these, the most interesting and fascinating tales ever written, must speak to their newsdealers about reserving copies for them. MOTOR MATT sprang into instant favor with American boy readers and is bound to occupy a place in their hearts second only to that now held by Frank Merriwell. The reason for this popularity is apparent in every line of these stories. They are written by an author who has made a life study of the requirements of the up-to-date American boy as far as literature is concerned, so it is not surprising that this line has proven a huge success from the very start. Here are the titles now ready and also those to be published. You will never have a better opportunity to get a generous quantity of reading of the highest quality, so place your orders now.
