

Finding Love on the Open Road: The Bikers Guide to Dating

If you are an avid motorcycle enthusiast, you know just how vibrant, fun, and fulfilling the biker culture can be. You know that the feeling of riding your motorcycle down the highway, being among friends, and the various aspects of the biker culture can add quite a bit to your life. However, it can be difficult to find someone to truly share your life, and your biker lifestyle. The purpose of this book is to help biker singles find love with practical advice on how to search for the ideal mate and maintain a fulfilling relationship.
