

Sweet Indulgence: BWWM Romance Collection (7 Interracial BBW Short Stories - Special Edition)

Seven full-length BWWM romance stories that will satisfy every guilty pleasure.

Sweet Indulgence is a charming collection of stories by Jolie Day that's as hot as chocolate is sweet. Featured in this collection are seven sexy and gorgeous alpha males that all have one thing in common: their love for a big, beautiful caramel-colored woman. We've all got our guilty pleasures; let yourself indulge in this one. Just be careful or you may end up with a sweet tooth! Featured titles include: *The Billionaires Assistant* My day started as predictable as any other. Being the executive assistant to Gabriel Miles was not the most exciting job. But, I was learning the ropes from this self-made entrepreneur, and it didn't hurt that I got to spend my days feasting my eyes on the gorgeous billionaire. Little did I know that a simple errand would turn into the adventure of a lifetime. Secret packages, criminal enterprises, car chases and riding on the back of Gabes bike. And on top of it all, the steamiest, hottest night I have ever spent with any man... *The Billionaire CEO* Arrogant. Ill-tempered. Demanding. Those are the top three words I can use to describe him. Unfortunately, he's also hot as sin and incredibly rich but he's still a jerk.

I'd heard he could be a hard-ass, but when I walked into his office I was sure that his computer wasn't going to be the only thing with a short circuit. He was all muscle, sex and power sitting behind his big CEO desk, and I had to spend the rest of the night working closely with him... *The Billionaires Offer* I was pretty sure I was done for when my already crappy week got worse after I crashed into some hot shots shiny BMW. Except the hot shot turned out to be the most gorgeous man I have ever met. And instead of calling the cops, he invites me over to his place to work it out...

The Billionaire BOSS I'd always had a crush on my boss. Young, rich, successful and sinfully handsome. Little did I know of

all the chaos in his world. Whats more, Id never had imagined that I would find myself caught in the middle of it all. Now that I am here, I find myself even more drawn to him. Hes brought out a side of me Im unfamiliar with... **The Forbidden Spark** Lucy is twenty-five years old and proudly single. Beautiful, intelligent and creative, she believes that it is her habit of staying away from men that has helped her to build her career and independence. She was sure that her decision to stay away from the complexities of dating was the right one, until Peter Davies. Her new stepbrother. The sexiest, most charming and gorgeous man she has ever met. With his blue-gray eyes, strong and defined features and dark hair, her heart began to flutter-something she never allowed at the mere sight of a man... **The Billionaires Claim** Eric Jespersen is a wealthy and handsome blond that Elise meets at the most recent dinner party. All is going well, and for once Elise feels like she might be able to meet a genuine man who is worthwhile. That was before the host of the party reveals to her a secret... **The Bikers Girl** Georgie is a beautiful, curvaceous journalist with an open mind and a thirst for adventure. When a new biker bar opens in the small town of Darton and causes an uproar in the conservative community, Georgie is sent to report. There she meets the sexy and enigmatic Charlie Turner and immediately she knows that theres no turning back... All stories in this collection are STANDALONES with NO cliffhangers. **WARNING:** This collection contains mature themes and language. It is intended to be enjoyed by an 18+ audience only. Read at your own risk!
