

My Stepbrothers Arrangement 1 (A Stepbrother Romance)

The first time I met my stepbrother, my mom was picking him up from the police station. Kalebs always been a bad boy. A womanizing, cocky, arrogant, aggravating bad boy. Oh, did I add that he has a body that belongs on a magazine cover, cheekbones you can cut yourself on and a smile that makes the panties melt off every girl he meets? And for the whole summer holidays, before I go away to college, hes also my boss. So why, in a moment of vulnerability, did I end up in bed with him?

I mean sure, it was just one night. But damn, it was one hell of a night. I tried to forget it. I tried to pretend it didnt happen. After all, Im a good girl. I dont do things like that. But when he tells me the next day that as his boss, I have to obey his every command... Well, lets just say accounting internships have never been so exciting.
