

My Wifes Best Friends Sissy Husband

What man doesn't want into his wife's best friend's panties? When the wives are away at the mall, two husbands begin to play! Do they watch football? Heck no! Their idea of fun is to put some porn on the television and wank off. But before the wives get back, these husbands will end up having an encounter that is kinkier than any porn flick they could imagine. When a sissy husband works up the nerve to strut his stuff wearing his wife's panties, the other husbands desire to get into his wife's best friend's panties finally come true. While the fact that it's not her, but rather her sissy and feminized husband, who is ready and willing to drop her panties and offer herself up is unexpected, what man could say no to the tempting offer. Both men ultimately explore a side of themselves that they never knew existed and find themselves wanting more! In this story, Syndie delves deeper into one of her favorite topics in this story of how one man begins to explore his gender identity and feminization while another man begins to explore his sexual attraction to his newly feminized friend. This story is one of Syndie's early works that has become a classic among her followers.
