

The Spiritual Virtual Assistant: A Guide to Supporting Holistic Practitioners

You have picked up this book because something about it intrigues or interests you. From a spiritual perspective, that appeal could be defined as your Higher Self telling you that something written here can help you, professionally or spiritually. If you have an open mind and an interest in holistic business, then this book may be just what you need! The Spiritual Virtual Assistant is intended to be a guide to current Virtual Assistants, to those who are seeking a career path, to those who have a holistic practice, and to those who wish to support a holistic practice. With inspirational as well as practical information for mutual success, this book will provide direction for your own study and research.
