

## Neville Goddard Lectures - If Any Two Agree

Concerning the Law, I can only acquaint you with the Law and leave you to your choice and its risk, but we have Scripture for it to tell it, regardless of what they do with the Law. In the 18th chapter of the book of Matthew you read these words, If any two of you agree on earth about any request that you must make, that request will be granted by my Heavenly Father. (Matthew 18:19) Find two who agree, and that request will be granted. Well, can you conceive of something greater? If two agree on earth concerning any request it doesn't have to be good, it doesn't have to be this, that or the other, but any request that you must make, that request will be granted by my Heavenly Father.
