

Allowing The Rock to Burn and Crush The Rocks In Your Life: Consider Your Ways

I beseech you as the Reader of such an eye-opening message given me as I am inspired by the Holy Ghost, dont take what the Father is urging lightly. The Spirit of truth is pouring out His Spirit upon all Flesh, therefore we must be in position to receive what He is saying unto us. The questions that arises in my spirit are: Are you prepared to make a change thats life-changing? Are you willing to come down off your own righteousness? Are you prepared to come down off your own pedestal? Has Father God placed you there? Are you willing to put Pride and Arrogance on the side? Are you ready to clean your House with the Word of God (remember, your body is the Temple of The Holy Ghost) Are you willing to die to self and people and allow the Spirit of Truth to perform in your life? Time is winding down-Playing Church (remember you are the Church, Zion) is over. Pretending and faking like you are all that is over. Father God is waiting on the True, Covenant Sons and Daughters to stand up and take their Rightful Place in Him. We must: Fill up daily Listen to hear His Voice and move when He say move Walk in His Word See Him in action through manifestation after manifestation after manifestation in your personal life. Become Fishers of men I personally went through the Process, I am telling you, you can live a life of Freedom like you have never experienced in your life. Allow the Rock to burn and crush the rocks out of your life.
