

Ph.D. in...Sin?: Getting Schooled about Confession, Repentance & Forgiveness

SIN! Its such an ugly word, isnt it? What comes to mind when you read the words: confession, repentance and forgiveness? I know. Uncomfortable, isnt it? These issues are rarely talked about in the Christian life, simply because theyre so difficult to deal with, explain, and understand. Thats why Omar wrote this book. In it he takes a plain, sometimes humorous, but always practical approach in walking you through the story of King Davids Ph.D. sin. With soul-baring honesty he shares his own history with his Ph.D. sin and examines what we can learn about David, life, confession, repentance, forgiveness, and most importantly, ourselves. Want to learn how to live the authentic Christian life thats been escaping you for so long? Do you want to live with power, peace, purpose, and passion? You can--today! Learn how to un-learn your Ph.D. in sin.
