

## Night Wolfs Touch (Night Wolf Adventure series)

Sit down, Niko said, coaxing him, and lean back. Yes, thats right. How does it feel? Do you like it? Good, Night Wolf said, submerged in the water, very good. I have found one thing I like here, this bath. Niko smiled. He took the soap into his hand and laughed as Night Wolf watched him, wondering what he was going to do with it. He put his hand in the water and wet the soap. In a slow, sensual motion, he began to rub the soap over Night Wolfs chest. A relaxed sigh escaped from Night Wolf and he leaned further back, against the tin tub and closed his eyes. Nikos hand with the soap glided over his skin eliciting waves of pleasure that ran through his entire body.
