

## NIV Bible: the Prophets - Part 2: (read by David Suchet) (Enhanced Edition)

The sixteen Old Testament prophets preached God's Word, including both promises and judgment warnings to Israel and Judah, between about 760 BC and 460 BC - a period of great change for God's people. The prophets spoke into the situation - explaining persuasively why the people were living such hard lives in foreign exile, but they also prophesied how God would eventually undo it and redeem his wayward people by grace via a new covenant. Acclaimed British actor David Suchet brings his deep, melodic and un-rushed voice to this beautiful and profound section of the Bible. This eBook contains the following books of the Bible: Ezekiel, Daniel, Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi using the New International Version 2011 translation. It has an incredibly simple and fast navigation system to help you jump between Bible passages seamlessly and also includes helpful summaries of each Bible book and lists of key people and events. The audio is also available separately as an audio digital download.
