

Death at Dozier School: The Attempted Assassination of an American City

Death at Dozier School is the history of the controversial and oft-sensationalized Boot Hill Cemetery at the former Dozier School for Boys in Marianna, Florida. The historic cemetery dates back more than 100 years to the earliest days of the Florida Reform School. Used for nearly 75-years as a burial place for the students and employees that lost their lives at Dozier School, its story is one of sadness, pain, heroism and courage.
